

Global Studies Minor Worksheet

Instructions: The purpose of this worksheet is to help students pursuing the GSM document their plan for meeting the requirements of the minor. This form is to be attached to the S&T Undergraduate Application for Minor which is available at the link below.

The Registrar’s Office requires that each student complete the “personal experience in a foreign country” before the Application for Minor form is submitted to that office.

<http://registrar.mst.edu/media/administrative/registrar/documents/minorapplication.pdf>

Name		Student ID	
Major Field		Major Advisor	
Minor Field	Global Studies	Minor Advisor	
Date			

Courses with general international content (from List A)		
Course	Credit Hours	Semester
Box A: Subtotal (cannot exceed 9 credit hours)		

Courses focusing on the society, culture, and/or language or a foreign country (from List B)		
Course	Credit Hours	Semester

Course diversity check: The maximum total credit hours from a single degree program (for example “Geological Engineering”) – must be less than or equal to 6 credit hours.	

Global Studies Minor Worksheet

Personal experience in a foreign country	Number of days
1. Trips that are a formal part of a Missouri S&T course	
2. Trips which are required as a part of a formal program of undergraduate or graduate research	
3. Trips that are performed as a formal part of the Missouri S&T Engineers Without Borders (EWB) chapter	
4. Trips that are performed during a formal Missouri S&T study abroad activity	
5. Other types of trip (approval by the Global Studies Minor Advisory Committee is required before the trip)	
Total number of days: The total must be greater than or equal to 14 days.	
Please attach documentation (such as an email) from the Missouri S&T faculty or staff member who can verify the participation in each trip required to make up the minimum 14 day experience requirement. The documentation must list the dates of each trip, and the country visited during each trip.
